APPEALING EDUCATIONAL RECORDS AND DISCIPLINARY ACTIONS

Students have the right to appeal admission, enrolment and grading decisions and actions taken by Academy personnel.

1. The appeal process is to ensure an individual's rights within Academy policies, procedures, and guidelines. Students have the right to just and equitable treatment, and the right to timely decisions based on due and reasonable process.
2. Before filing a formal appeal, students and applicants are expected to consult with staff members directly involved and, if required, with supervisory staff around any concern. Students and staff are encouraged to seek advice to clarify issues and help find a resolution.
3. During the appeal process, students and staff will be assisted in understanding their rights and responsibilities. In an appeal, students may be required to demonstrate any unforeseen circumstance beyond their control, such as a serious medical condition or dire family circumstance, which has resulted in undue hardship.
